Seattle file 7030/10773 - FUNG YUET YIN

BY EXAMINING INSPECTOR:
Applicant FUNG YUET YIN is applying for return certificate as U.S. citizen. She was examined at this office Mar.4, 1938. At this time she stated she was born in San Francisco, Calif., July 30, 1917, and that she had never been outside the U.S. since her birth. She also presented at this time a ~~blank~~ form of standard birth certificate issued by the California State Board of Health in which certain data concerning her birth was filled in. This certificate was uncertified. Recommendation on the claimed birth of applicant in the United States was deferred at close of examination of Mar.4, 1938, for the purpose of obtaining the testimony of the alleged father thru the San Francisco office. Copy of the testimony of the alleged father, FUNG BING QUONG, together with San Francisco files relating to FUNG BING QUONG and several members of his family, has now been received here and duly considered. The testimony of the alleged father in San Francisco, along with the evidence contained in the San Francisco files relating to members of the family of FUNG BING QUONG, satisfactorily establishes the claimed birth of FUNG YUET YIN at San Francisco, Calif. I recommend that form 430 be issued to FUNG YUET YIN.

NOTE: Alleged father, FUNG BING QUONG, appears today and submits certified copy of local record of birth of FUNG YUET YIN on July 30, 1917 at Lane Hospital, San Francisco; also submits his affidavit, sworn to today, in ~~triplicate~~ triplicate. These papers are made part of record.

Alleged father states: Yesterday I said I thought FUNG YUETYIN's dancing partner was ALBERT MAR; his name is really WILBUR MAR. The name of the cafe on Mason St., San Francisco where my daughter worked is TIENTSIN CAFE; I could not think of that name yesterday. That is all I have to say.

REPORT:

1. This applicant, FUNG YUET YIN, alias JESSIE FUNG, is said to have been born at Lane Hospital, San Francisco, California on July 30, 1917. She is said to be the fourth child in a family of six children, all born in San Francisco except the two oldest boys.

2. The present applicant, her alleged parents, WOO (WU) SHEE and FUNG BING QUONG, alleged brother, FUNG TSAN HOI, and alleged sister, FUNG YIT (YUET) YING, were applicants for Forms 430 in 1918 while the United States was at war. In letter dated August 19, 1918, files 12017/10826 to 10830, the attorney of record in the cases was informed that the applications would be dropped because the reasons given as prompting desire to leave the United States at that time were considered insufficient. The report of the then examining inspector, J. B. Sawyer, dated June 4, 1918, was favorable to claimed status and relationship. Page 2 of said testimony shows that birth certificate for FUNG YUET YIN was then of record. Correspondence in file 12017/10829, and various related files, indicates that photostatic copies of the birth certificates of FUNG YUET YIN and FUNG YIT (YUET) YING were made and the originals and other papers sent to our city office for delivery to the attorney of record, Harry L. Horn. He admitted having received all such papers except the birth certificate of FUNG YUET YIN (present applicant). Various notations in her file, 12017/10830, and record room report, dated today, in present file show that part of said file 12017/10830 has been missing for years and cannot be located, among the missing papers being the birth certificate.

3. The alleged father FUNG BING QUONG has been questioned as suggested by Seattle office letter of March 4, 1938, their file 7030/10773. He has also submitted certified copy of birth certificate for the applicant, and affidavit bearing his photograph, in triplicate. His testimony is in good agreement with that of applicant and the evidence of record. The alleged mother left this port on September 19, 1931 after years of confinement in Napa State Hospital (Insane) Imola, Cal., and is said to be living in China and still unwell. From the investigation thus far conducted I see no reason to doubt the applicant's claim of birth in the United States.

Immigrant Inspector.
